

KIDS BIRTHDAY PARTIES AT THE MIXING BOWL

Throw an unforgettable party at The Mixing Bowl, we offer a hands on and interactive baking experience suitable for kids **aged 6 or above**. This information pack contains everything you need to start planning your next party.

INTRODUCTION

 A birthday party at The Mixing Bowl is 2.5 hours long, during which the kids will be expertly guided by our instructors. Prior to the party you will have the ability to select the dish from a number of options (see below). In some of our classes the kids will also eat what they make as a meal together.

 The minimum charge requirement is 10 kids, the maximum number of kids we can host is 16.

 The party is in a drop-off and pick up format. The host family is welcome to stay during the party, whilst other parents and guests can join in the last 30 minutes which is allocated for eating and cake cutting.

 If you would like to invite the adults or other guests to stay during the party, you can also choose to rent the dining room area at an extra cost. Often our parents choose this option and arrange food and/or drinks to enjoy whilst waiting.

 You can order a birthday cake from us, or bring in your own cake (see below for prices). You are welcome to bring in additional snacks and drinks for the kids, and we provide serving bowls, cups, plates and cutlery.

 You are welcome to bring decorations such as balloons and banners, and the venue can be made available 30 minutes before the party start time to decorate and set up.
